

Directions to Villa An Cala

From The airport, follow the directions to Yaiza. This will take you onto a dual carriageway (LZ2).

Continue following the directions to Yaiza – the road splits after approx 5km and becomes a single carriageway. You will need to move to the left hand lane (At this point you will have gone past two exits for Tias, the left hand lane when the road divides is signposted Yaiza and the right lane Conil)

Go around Yaiza – the road is now signposted Playa Blanca. Be careful of the roundabouts at both ends of Yaiza, as they are offset to the main road – remember to give way to left.

About 35km from the airport you will come to a large roundabout with a petrol garage at the side. Turn second right towards faro de Pechiguera (you should see a hotel with flags outside on the right, Hotel Club Playa Blanca and then the Hotel Corbeta on the left at the next roundabout).

Continue straight ahead across this roundabout and the next 3 mini roundabout.

At the next roundabout proceed ahead past the Rubicon Palace Hotel which is on your left. At the roundabout turn right (the road appears to be going nowhere). At the next small roundabout turn left.

This will take you past LA GOLETA on the left and SHANGRILA on the right.

Continue straight ahead and you will enter LA CARABELA. Take the first turning on the left, then third on the right.

AN-CALA number 82 is the 2nd villa on the left. You will see a double parking space outside. This is shared with the villa next door.

Hope you have a great holiday!
